## Spring Term 1 2019

Dear Parents and Carers,

Hopefully all feeling refreshed after Christmas and New Year everyone is now ready for a fun packed 2020.

Please find attached a brief outline of what we are planning to do this term, this may change a little as we are led by the children and their interests.

### Some general information:

We will be inside for P.E on Mondays and **Fridays** with the P.E coaches. Please can PE kits (shorts, shirt, pumps and socks) remain in school all half term and we will return them for washing at the end of each half term.

As we are well into Winter please ensure that your child has appropriate outdoor wear (waterproof coat, hat, gloves etc.) so that we can use the outdoor space as much as possible.

Pupils also require a named water bottle in school to use in class. This should contain water only.

Please ensure that all clothes are named clearly as items are easily misplaced.

### Supporting your child:

In Barn Owls we endeavour to keep homework to a minimum, however there are some aspects of learning that benefit hugely from regular support at home. Reception pupils sound packs and working well and we will continue to add to these regularly. Weekly reading books will continue to go home each week and we endeavour to change them on a Monday and Thursday, please read with your child as it makes such a difference and can really accelerate their progress.

Year One pupils will, along with their reading books be receiving a maximum of one piece of homework a week that will complement the skills being taught. In addition to this they will receive weekly spellings on a Tuesday to be tested each **Monday**.

Last but not least, for any enquiries or concerns please do not hesitate to contact myself, appointments can be made via the School office.

Kind regards Mrs Phillips
