

ENGLISH

Fiction:

This half-term we will be reading Harry's Mad - a children's classic tale by Dick King-Smith. The children will then write a funny animal story inspired by the book.

We will also be exploring the rainforest through stories which raise issues about the environment.

Non-fiction: Our non-fiction texts will be focused on writing reports around Lost in the rainforest and Saving Species.

PSHE

The children will explore the idea that people's life experiences and opportunities differ throughout the world and that our actions can have both positive and harmful effects on people living in different countries. We will continue to learn about climate change and its effects, fair trading practices and organisations. They will also learn about how to be a good global citizen.

RE

God, Torah, People and the land.

How do festivals and family life show what matters to Jewish people?

SNOWY OWLS

SPRING 1 2023

The Rainforest

SCIENCE

Year 4 will become more familiar with the plants and animals in our local and wider environments and learn how to identify a range of British plants and animals. Year 3 will discover the amazing world of plants, carrying out investigations to find out how they grow.

MFL

Our French topics this term will cover: Animals, Food, and the calendar.

The children will continue to practice conversational French in real-life situations.

MATHS

The children will be using their place value knowledge to compare numbers and discover different methods of addition and subtraction to help them solve problems. They will link multiplication and division and use a variety of methods in their calculations. They will continue to use their skills in measurement to help organise data.

History

Our History topic will discover the ancient world of The Maya, how the civilisation developed over time, how their society was structured and what led to its decline.

Art/DT

This term we will be making mini greenhouses.

PE -

Invasion games - hockey (warm outdoor kit) on Wednesdays.
Gymnastics (indoor kit) on Friday (3 weeks).

Music

Our music lessons this term will take us into Ancient Worlds as we discover structure in a musical context.

Computing

We will be looking at: Creating Media-Desktop Publishing's
