

ENGLISH Fiction: Hansel and Gretel

In this topic, the children will learn about traditional tales through the story of Hansel and Gretel. They will use the story to plan, write and edit a formal and informal letter and write a newspaper report based on the story and use persuasive writing skills to compose an advertisement for the Storyland Estate Agents who are trying to sell the gingerbread house.

Non-fiction: The Water Cycle

We will compare and contrast texts about the water cycle, researching and summarising information to plan, design and create an information page using features studied. Grammar includes pronouns and conjunctions.

Poetry:

Our poetry will cover World Celebrations and narrative poems around the class book 'Hansel and Gretel'.

PSHE – Growing up

We will be learning about the changes in our bodies that we can expect to happen as we grow older.

RE

We will be exploring why and how people mark significant events of life, including ceremonies in Christian, Jewish and Hindu faiths.

Global Citizenship/curriculum enhancement

Visit to Old Oswestry Iron Age Fort.

SNOWY OWLS

Summer 2023

Off on holibobs?

SCIENCE

States of matter – we will be exploring the differences between solids, liquids and gases through experiments, demonstrations and investigations.

MFL

Our French topics this term will cover: Sports and hobbies.

The children will continue to practice conversational French in real-life situations.

MATHS

This term the children will be exploring more about time, data, fractions and capacity through a variety of different methods and real-life scenarios.

They will continue to deepen their knowledge and understanding of the four operations and applying them in problem solving.

Geography

We will be exploring who our European neighbours are, using maps and atlases to identify different countries, looking at different geographical features and their flags.

Art

We will be finding out who Georges Seurat was and explore his style of art.

PE –

We will be taking part in athletic events to prepare for our annual sports day event and recap games we have learnt throughout the year.

Music

Our topic of China will include understanding pitch through composing, notating and reading graphic notation.

Computing

Our computing topic Repetition in Shapes will focus on using the skills and knowledge they have learnt.
