

ENGLISH

Fiction: Floodland Newspaper

Using the book 'Floodland', by Marcus Sedgwick, we will write a newspaper report on the causes and consequences of rising sea levels.

Stories from Space Descriptive Writing

Using our knowledge of descriptive and figurative language, we will write a description of a new planet.

Non-Fiction: Space: Tim Peake

Space: The Golden Record

We will explore and research Tim Peake and his time on the ISS, before creating an informative report on him. Our final piece of writing for the half term will focus on persuading NASA to use our chosen images in The Golden Record.

LONG EARED OWLS

SPRING 1 2024

OUR PLACE IN SPACE

MATHS

Year 5- Exploring Decimals, Calculating Decimals, Investigating Shapes, Decimals and Fractions, Let's Calculate.

Problem Solving & reasoning, Fluency & Times tables- Flashback Four, TTRS

SCIENCE

Earth and Space

In Science, we will be looking at how and why Earth rotates around the sun and on its own axis and how this gives us our seasons.

We will also explore the lunar phases uses Oreos and how this impacts the tides.

MFL

Animals, Food and Calendar

MUSIC and COMPUTING

Creating Media- Video Editing
Solar System- listening

RE

What does it mean to be a Muslim in Britain today?

We explore the key ways in which Muslims live and discuss challenges they may face.

PE

Football and Yoga

CULTURAL CAPITAL

Wonderdome Planetarium

DT

Bird House Builders

In our DT unit, we will understand the purpose of bird houses, before designing and constructing our own bird house made out of wood, using a number of tools and techniques.

BRITISH VALUES & COURAGEOUS ADVOCACY

Eucharist Service
NSPCC Number Day

GEOGRAPHY

Extreme Earth

This topic focuses around extreme weather and conditions that Earth faces. We will explore how earthquakes and volcanoes are formed and how a tsunami occurs.

PSHE

How do friendships change as we grow?
